Re: Appreciation letter

Dear Mr President,

We would like to thank you for your commitment and contribution to the development of the University Sports by celebrating the International Day of University Sport (IDUS) on 20 September 2018.

FISU is proud to celebrate IDUS together with its members every year. This day is a perfect platform to promote University Sports values across the world and to remind young people about different ways they can get involved.

The celebration of the International Day of University Sport in Russia was a good example of an active FISU member. Through the different IDUS activities organised all over Russia, the Russian Students Sport Union contributed the best possible way to University Sports development and sets an excellent example for other members.

Please pass on our personal thanks to all collaborators that were involved in the IDUS celebrations in Russia. We are looking forward to cooperating closely with you in the future.

Sincerely,

Oleg MATYTSIN
FISU President

Eric SAINTTROND
